

### Scenic Rim Clydesdale Spectacular – Important Update

Due to ongoing uncertainty and unpredictability surrounding the global and Australian fuel situation, rising fuel prices, and increased cost of living pressures, organisers of the Scenic Rim Clydesdale Spectacular advise that, key components of the festival have been **postponed until 2027**.

This decision has been made to ensure the long-term sustainability of the event, its participants, many of whom travel from hundreds of kilometres away, and to maintain the high-quality experience that patrons, competitors, and partners expect.

We are pleased to confirm that planning is already underway for the 2027 festival, which will be held from **10 - 13 June 2027**.
